February 26th, 2022

Dear all,

It saddens us to witness the war taking place in Ukraine. We are concerned about the safety and well-being of our friends, colleagues, and anyone who may be affected, and we offer them our support and sympathy.

As members of the Belle II Collaboration, we have a deep appreciation of the merits of open and peaceful cooperation. Belle II is committed to academic values and will continue to promote peaceful collaboration in science and elsewhere.

Sincerely,

Bostjan Golob, Chair of Institutional Board

Abner Soffer, Deputy chair of Institutional Board

Toru Iijima, Spokesperson

Mike Roney, Chair of Executive Board

Yutaka Ushiroda, Project Manager
